

Dear Valued Family and Friends,

As the recent events have changed our community forever, we would like to send our sincerest condolences to those who have suffered through these tragic times. Our hearts are with you and our staff who were personally affected by the fires. In addition, we would like to send our deepest gratitude to our first responders both locally and from neighboring counties and states. Your tireless efforts in our time of need will not be forgotten.

On Friday, December 1st 2017 - Eagle Vines Vineyards & Golf Club will donate all revenue collected that day from donations, green fees, food and beverage to help those who have been affected by the recent disasters. We will be working with multiple sponsors and local companies to gather the community to honor the first responders and unite our neighbors to celebrate the strength of Napa and surrounding counties. We would like to invite you and your loved ones out to join us on December 1st to enjoy some golf, food, drinks, and invaluable time with family, neighbors and our beloved community. If you are a vendor or a local business that would like to donate your time or effort to the event, please feel free to contact David Griffis at (707) 257-4470 #6. Any and all donations will help in our combined efforts to provide comfort and support to those who have been tragically affected.

We would love to truly make a difference as we continue to help rebuild our community and live #napastrong. We will continue to pray for Napa and the surrounding counties. We hope to see you on December 1st.

Thank you,

The Family of Eagle Vines Vineyards and Golf Club
